Craftful Creations

Cut and glue paper model

8 hours of fun | High difficulty | For kids 9+

What's included

- Full-colour printed card sheets
- Clear, step-by-step instructions

What you'll also need

- Scissors or a craft knife
- A ruler for neat, precise folds
- Glue and a brush

How it works

1. Cut out each piece along the outline
2. Fold along the marked lines (Solid lines fold inwards; dashed lines fold outwards)
3. Glue the sections together a little at a time, allowing them to dry briefly as you go
4. Watch your model take shape piece by piece, ready to display

Family friendly activity | **Improves fine motor skills** | **Builds careful focus**
